

FREEDIVING TRAINING CAMP TENERIFE

From April 30th to May 3rd, 2026
@APNEA CANARIAS TENERIFE

Increase your depth, improve your skills and learn new techniques with one of the strongest freedivers in the World.

Professional freediver Miguel Lozano, third deepest Freediver in the World in Free Immersion, organize a Freediving Training Camp in Radazul (Tenerife) at Apnea Canarias Freediving Center.

The course based mainly on Free Immersion, Constant Weight with fins and Constant Weight without fins, will go through theory and practise. Deep equalization, Mouthfill constant and sequential pressure, exhale diving, extended dive times at depth, relaxation and mental barriers, will be the main topics of the course.

Doesn't matter your level. This course is from beginners to competitors. Miguel and his team will work individually in every students needs.
